

Start by the beach!

5 minutes walk to of one of the best surf beaches on the coast is a great reason to get into the market! 2 bedrooms provides space for you, your home office or a flat mate, and fenced courtyard is a blank canvas for outdoor living, or a great play area for children and pets.

Ground floor with convenient direct access from the covered parking area to the unit. Built in wardrobes for storage, updated kitchen benchtops and cupboard doors in the last 10 years, and the bathroom is also in good condition for its age. Backing onto the airport means no neighbours behind, increased privacy and hinterland views across the airfield.

Concrete block and brick walls make this property almost indestructible, offering a low maintenance lifestyle or solid investment. Good original condition means opportunity to bring your own touches and add value over time. Small complex of just 10 units and very low Body Corporate fees means fewer bills and no surprises.

If you've been waiting for an excuse to get into the market, it just arrived!
