Discover PREDMET.CEMAGI, a contemporary apartment development by Predmet Group, located in the peaceful coastal village of Cemagi, Bali. Combining modern architecture, thoughtfully designed interiors, and resort-style facilities, this development offers an appealing opportunity for both property investors and buyers seeking a relaxed tropical lifestyle.

Situated approximately 60–106 metres from the ocean, depending on the measurement source, the development enjoys a coastal setting surrounded by Bali's natural beauty, with selected apartments offering ocean or rice field views.

The project comprises approximately 99 apartments, with a selection of S, S+, and M layouts designed to suit different preferences. Apartments feature contemporary interiors, designer finishes, and fully fitted kitchens, with furnishing and appliances included according to the developer's offering.

Residents can enjoy a range of shared facilities, including a rooftop

swimming pool, bar, restaurant, gym, and spa. The development is designed to bring everyday convenience, leisure, and wellness together in one residential complex.

Cemagi offers a quieter alternative to the busier areas of Canggu while maintaining access to popular cafés, restaurants, beaches, and lifestyle destinations along Bali's southwest coast.
